52 ACTIVE
MEMBERS

9 CORPORATE &
COMMUNITY PARTNERS

9 BUSINESS ADVISORY
BOARD MEMBERS

\$1,200 Revenue

2 Projects

2,500 Media Reach

PROJECT OUTLINE

Nexus Abroad connects Nangi village in Nepal to distributors in Melbourne. We aim to connect impoverished overseas communities to distribution channels in developed nations.

NEXUS ABROAD

PEOPLE IN
NEED
TARGETED

15

Economic

Social

RELEVANT
FACTORS

EFFECTIVE EMPOWERMENT

- Teaching business skills such as book keeping to the women in Nangi Village
- Providing employment and social standing for these women

ENTREPRENEURIAL APPROACH

- Developed a scalable and sustainable business model
- Improved supply chain efficiency
- Overcame cross cultural and geographic obstacles

IMPROVEMENT IN QUALITY OF LIFE

- Indirectly supports 150 educational and health initiatives in the village
- Improve the standard of living through gainful employment

HEALER

The Healer project is designed to help overcome the overfishing problem in Asia through alternative income generated from aloe vera farming, focusing specifically on India.
